- ▶ Highly popular Easy Glide Safety Steps manufactured in the UK from tubular steel.
- ▶ Glide smoothly and effortlessly across floors but when body weight is applied they stay firmly in position. Spring-loaded castors are enclosed by strong steel dome feet with solid moulded protection rings that grip firmly to the floor when in use.
- ▶ Coated in a tough and attractive epoxy-powder finish for long-lasting protection (with choice of 4 colours).
- ▶ Large safety treads are non-slip ribbed rubber and 200mm / 8" deep, fitted at 250mm rise.
- ▶ Larger ribbed rubber top platform 400mm or 450mm x 300mm.
- ▶ 2 tread standard model available with either full handrail or just side loop handrail.
- ▶ Ideal for the office, the shop, the storeroom, the warehouse, the library etc.
- ▶ Fully welded and assembled for instant use - max safe working load 150kg.

- ▶ Spring-loaded castors are enclosed by strong steel dome feet with solid moulded protection rings that grip firmly to the floor when body weight is applied to treads.
