HOP-UP ALLOY FOLDING WORK PLATFORMS

ODDJOB

The Odd Job is a lightweight aluminium platform that enables the user to reach those areas that are just out of reach from ground level.

It is ideal for painters and decorators, plumbers and plasterers - in fact the Odd Job is so versatile that there are few trades which could not find a use for this unit.

- » Perfect for all odd jobs around the home or work place
- » Easy to use, easy to store
- » Broad base for extra stability
- » Large working platform area

HOP-UP ALLOY FOLDING WORK PLATFORMS

ODDJOB 600 WIDE

600mm square Multi Purpose Trade Work Platform

The Odd Job 600 is a tough trade low level work platform.

Constructed of aluminium for easy handling and providing an impressive platform size of 600mm x 600mm - as preferred by Health & Safety inspectors.

Ideal for most trades who need a solid, stable platform to work just off the ground.

The Odd Job 600 has been designed to help the user meet the latest regulations.

- » Easy to use and easy to store.
- » Ribbed platform and treads provide a slip resistant surface while working.
- » Tough over boots and locking legs enable a secure footing.
- » Solid durable construction.
- » Max static load 175kg.
