

STAIR-KING

INDUSTRIAL ALLOY STAIRWELL SCAFFOLD

Quite simply the finest stairwell scaffold in the UK - the safest ; the most versatile ; the most carefully designed.

- » Suitable for both commercial and most domestic stairwells.
- » Nine different platform heights to choose from (taller ones allow all lower heights to be erected too - sometimes needing a couple of extra components added).
- » Plan dimensions - 1.2m long x 0.7m wide - so compact it fits almost all domestic stairs.
- » Walk-through frames at base allows access through scaffold when erected.
- » Ladder access allows safe climbing inside the tower.

STAIR-KING
