

SITEMATE900 FOLDING ALLOY PODIUM STEPS (ALLOY WORKSTATION)

keep your Health & Safety inspector happy
use a **SiteMate900** podium
and say goodbye to your old steps!

- ▶ SiteMate900 Podium Steps are robustly fabricated for safe site work where stepladders are no longer acceptable. **The latest way to gain HSE approval for low-level work.**
- ▶ Made from British Standard approved industrial alloy tower components, including the 50mm diameter alloy tubing.
- ▶ SiteMate900 is a safe podium step platform for working at low levels, with **3 main platform heights of 250mm or 500mm or 750mm** and a **hop-up level at 1.0m** for short duration work all from the one unit.
- ▶ Hop-Up platform at 1.0m acceptable to HSE for short duration work only - less than 15 minutes.
- ▶ Ideal for one-man use - unfold the unit, fit the treads and platform and start work!
- ▶ Easily portable and manoeuvrable, when open or closed, the unit passes easily through standard doorways and corridors.
- ▶ Lightweight yet robust for Industrial use - max safe working load 100kg / 15.5st.
- ▶ Provides a working platform 650mm x 600mm.
- ▶ Access to platform via steps and locking hinged gate.
- ▶ SiteMate900 folds to just 150mm wide for easy transport & storage.
- ▶ Four options for the base - choose from ...
 - a) Four static feet
 - b) Two static feet plus two offset roller wheels
 - c) Four heavy-duty tower castors
 - d) Four tower castors with adjustable height legs for levelling
- ▶ Optional extras -
 - Stabiliser Kit for extra safety.
 - Height Booster Kit - adds 0.75m to all platform heights. Includes ladder & 2 stabilisers

SITEMATE900 FOLDING ALLOY PODIUM STEPS (ALLOY WORKSTATION)

SiteMate900 folds flat to just 150mm depth for easy transport and storage. Roller wheel option at base of podium allows convenient mobility between locations.

- ▶ **SiteMate900 is ideal for SAFE SITE WORK - with the approval of your Health & Safety inspector!**
- ▶ **3 different platform heights plus a hop-up platform from one unit - allowing safe working heights up to about 3.0m**
- ▶ **Static or mobile options**
- ▶ **Folds flat for transport and storage**
- ▶ **Robust equipment for regular site or factory use**

Height Booster Kit raises all platform and working heights by 0.75m. Folding base frame fits underneath the standard SiteMate900. Kit includes Booster frame, access ladder and two stabilisers.
