

"LITTLE GENIE" Telescopic Combi Ladders

- ▶ Super useful & versatile and so LOW COST too. The obvious alternative to the genuine Waku Combi ladder.
- ▶ Little Genies are only slightly lighter duty than the original Waku ladders, but massively lower in price!
- ▶ Just like the true Waku, **ONE LITTLE GENIE LADDER REALLY CAN DO IT ALL!**
- ▶ Just one ladder makes an adjustable height **Extending Ladder** . . . adjustable height **Stepladder** . . . adjustable height **Staircase Ladder**.

- ▶ Little Genie Telescopic Ladders provide fantastic versatility. You will probably never need to buy another ladder or stepladder.
- ▶ Robustly manufactured for maximum durability and years of useful service. The two smaller sizes are approved to European standard EN131 - max safe load 150kg (23.5stones) and two larger sizes are to American standard ANSI Type 1A - max safe load 136kg (21.4stones).
- ▶ Most sizes fit INSIDE a family sized car for transport!
- ▶ They feature square rungs and are adjustable to almost double their closed height in stepladder form, and almost four times their closed height in lean-to ladder form.
- ▶ Sturdy spring loaded rung locks and bolt hinges are standard fittings.

"LITTLE GENIE" Telescopic Combi Ladders

Little Genie Telescopic Combi Ladders

- Combines a stepladder, extension ladder and stairwell ladder all in one product
- Compact folded dimensions, easy to use, transport and store
