Mobile Steel UNLOADING SAFETY DECKS

Optional Adjustable Height Legs

Code: **SULDAL4**

Includes 300mm total height adjustment ; holes at 50mm intervals ; secured with drop nose pins ; must be ordered with Deck (not retro-fit).

Please advise with each order the **Platform Height** required at the **middle** hole - allows raising & lowering by same amount each way.

Note: height adjustment requires forklift truck to raise and lower this unit - too heavy for manual lift.
