

Vehicle Roof Access

Single Width Alloy Scaffold Towers combined with bespoke frames onto roof provides a safe, guardrailed environment for maintenance work on many types of vehicle roof.

Note: double cup suction lifters on roof prevent movement of guardrail frames

Mobile Roof Access Ladders

TankMaster Mobile Access Ladder

Safety guardrails around small areas of roof create excellent spot-access points on tanker roofs.

Both versions are on castors for mobility and can be raised & lowered to suit a variety of roof heights.

Mobile Tanker Access Ladder
